

# Complete Gas Welding & Cutting Solution for Maintenance Onboard

The safety aspect is crucial for all use of oxygen and acetylene onboard a ship. The WSS solutions are based on safe transportation and storage of cylinders. All equipment is standardised and comply to appropriate standards and regulations.

**HOSE CLAMPS, EAR TYPE**  
 F/ 6 MM (1/4") HOSE, 20 pcs 768416  
 F/ 9 MM (3/8") HOSE, 20 pcs 768432  
 PINCER TOOL HOSE 768507

**REGULATOR 510**  
 Acetylene, 510001

**REGULATOR 510**  
 Oxygen, 510000

**GAUGE GUARD**  
 619379

**FLASHBACK ARRESTOR**  
 W-66 f/ Oxygen 302976  
 Alternative:  
 S-55 f/ Oxygen 708545

**HEAT RESISTANT MITTEN**  
 233148

**HOSE JOINT**  
 F/ 6 MM (1/4") OXYGEN HOSE 175596  
 F/ 6 MM (1/4") ACETYLENE HOSE 175588  
 F/ 9 MM (3/8") OXYGEN HOSE 175612  
 F/ 9 MM (3/8") ACETYLENE HOSE 175604

**ACCESSORIES**  
 Triple Gas Igniter, 2pcs 633198  
 Spare Flint Set, 10 pcs 633206  
 Cleaning Needles Set 175356

**SHANK W/NON-RETURN VALVES**  
 174656  
 (with 6mm (1/4") hose sockets/non-return valves)

**SOCKET W/NON-RETURN VALVES FOR SHANK**  
 Ac 6mm (1/4") 597336  
 Ox 6mm (1/4") 597344  
 Ac 9mm (3/8") 651265  
 Ox 9mm (3/8") 651257  
**ALTERNATIVE**  
 FLASHBACK ARRESTOR FR-20  
 Ac+Ox Set for Shank 6mm (1/4") socket 619270

**FLASHBACK ARRESTOR**  
 W-66 f/ Acetylene 183970  
 Alternative  
 S-55 f/ Acetylene 708537

**HOSE WITH FITTINGS**  
 TWIN GAS HOSE 6mm (1/4") 10m with fittings 526472  
 TWIN GAS HOSE 9mm (3/8") 10m with fittings 526478  
 TWIN GAS HOSE 9mm (3/8") 25m with fittings 526482

**HOSE (50M LENGTH) WITHOUT FITTINGS**  
 TWIN HOSE 2X6.3mm (1/4") Red/Blue, 50m Coil 620018  
 TWIN HOSE 2X9.0mm (3/8") Red/Blue, 50m Coil 620022  
 GAS HOSE 6.3mm (1/4") Red, 50m Coil 620026  
 GAS HOSE 6.3mm (1/4") Blue, 50m Coil 620030  
 GAS HOSE 9.0mm (3/8") Red, 50m Coil 620034  
 GAS HOSE 9.0mm (3/8") Blue, 50m Coil 620038

TROLLEY FOR A40/O40L GAS CYLINDERS

Transport trolley with lifting certificate for A40 and O40L cylinders. Large size tool box for additional accessories. Safe and fast way of getting all equipment to the work site in one go.  
 Surface Treatment: Spray Coating  
 Safe Working Load: 200 KG  
 TuV Test Load: 400 KG  
 Net Weight: 26.5 KG  
 Product No. 778145

UCT-500 MASTER KIT

Large size handy kit in heavy duty PVC case containing all equipment needed to perform the normally occurring heating, brazing, welding and cutting jobs onboard.  
 Product No. 500000

STANDARD GAS ACCESSORIES FOR MOBILE EQUIPMENT

A complete kit comprising all necessary equipment to be used with oxygen and acetylene cylinders. Together with a trolley and UCT-500 Master or Compact Kit will create a complete mobile welding workshop.  
 Product No. 526509

UCT-500 COMPACT KIT

Handy kit in heavy duty PVC case containing a limited number of equipment needed to perform the normally occurring heating, brazing, welding and cutting jobs onboard.  
 Product No. 500001

TROLLEY FOR A5/O5L GAS CYLINDERS

Transport trolley with lifting certificate for A5 and O5L cylinders. Shelf for UCT-500 Compact kit. Tool box for additional accessories. Safe and fast ways of getting all equipment to the work site in one go.  
 Surface Treatment: Spray Coating  
 Safe Working Load: 50 KG  
 TuV Test Load: 100 KG  
 Net Weight: 13 KG  
 Product No. 778143

**QUICK COUPLING**  
 Acetylene Regulator to Hose  
 6mm (1/4") 734007  
 9mm (3/8") 734016

**QUICK COUPLING**  
 Oxygen Regulator to Hose  
 6mm (1/4") 734001  
 9mm (3/8") 734019

**QUICK COUPLING**  
 Oxygen Hose to Hose  
 6mm (1/4") 734010  
 9mm (3/8") 734022

**QUICK COUPLING**  
 Acetylene Hose to Hose  
 6mm (1/4") 734004  
 9mm (3/8") 734013

**QUICK COUPLING**  
 Male Connector for Shank  
 For Twin Hose with Fittings  
 Ac/Ox 734031

**QUICK COUPLING**  
 OX Hose to Hose  
 For Twin Hose with Fittings  
 734028

**QUICK COUPLING**  
 AC Hose to Hose  
 For Twin Hose with Fittings  
 734025
