EQUATOR

We Neptune

Monarch and Ruler of the Seven Seas, to all whom it may concern —
Greetings:

Whereas

having — in a comparatively sober and sane condition, crossed the dividing
line of My watery dominions — the Equator — at an approximate longitude
of **39.46** degrees **WEST** of Greenwich, on board the good ship:

M.T. ADVANCE

of Norway and **Wilhelmsen Line**, and having in solemn Equatorial Baptism
received the name

CARYATIS

Be it therefore known that the said **CARYATIS** having been weighed
in the balance and found sufficiently enlightened, has this **30** day of **JAN**
19 **12** been accepted as a subject of my kingdom, with all
the rights thereto pertaining, i.e.: payment of rates, taxes,
hush-money and contributions to the fishes surrounding all
ships passing through My domain.

Given under My hand and seal

In virtue of the Letter-of-Attorney
vested in the undersigned Captain of
