2.2 The Customer agrees that, subject to the following, these Conditions apply to all supplies of Products, Non-Standard Products, Gas Cylinder Services and/or Related Services to the exclusion of all other terms and conditions, including, but not limited to, the Customer’s general purchase conditions, other standard conditions of purchase or any terms included in any online registration.

2.3 The parties may agree in writing that additional terms and conditions will be applicable to particular supplies of Products, Non-Standard Products, Gas Cylinder Services and/or Related Services to the Customer (“**Additional Terms**”).

2.4 The Conditions together with any Additional Terms and the Order Confirmation issued to the Customer in accordance with Condition 3 shall, in respect of each Order placed by the Customer, form a separate binding contract between the Supplier and the Customer for the supply of the Products, Non-Standard Products, Gas Cylinder Services and/or Related Services as set out in the Order Confirmation (each a “**Supply Contract**”). The Customer expressly acknowledges and accepts that in entering into a Supply Contract there is an intention to create legally binding obligations between the Customer and the Supplier only and no member of the WSS Group who is not the Supplier under a Supply Contract shall in any circumstances have any liability to the Customer arising out of or in connection with such Supply Contract.

2.5 In the event of any conflict or ambiguity between the terms of the documents constituting a Supply Contract, the following order of priority shall apply: (i) Additional Terms shall prevail; and then (ii) Conditions; and then (iii) the Order Confirmation.

3. Placement of Orders

3.1 Each Order shall be deemed to be a separate and individual offer by the Customer to purchase the Products and/or Gas Cylinder Services and (if applicable) Non-Standard Products and/or Related Services set out in the Order from any member of the WSS Group, subject to these Conditions and any Additional Terms applicable to the Customer.

3.2 The WSS Group shall in no circumstances be under any obligation to accept any Order and shall be free to accept (on behalf of the Supplier) or decline each Order at its absolute discretion.

3.3 If an Order is accepted, a confirmation shall be issued specifying the identity of Supplier and either confirming that the Supplier can fulfil the Order completely or that it will only fulfil part of the Order (each an “**Order Confirmation**”).

3.4 The Customer shall notify the Supplier of any errors, deficiencies or inaccuracies in an Order Confirmation within three (3) business days from receipt of the Order Confirmation (or within two (2) hours of receipt of the Order Confirmation in the event that Delivery is scheduled to take place less than five (5) days from the date of the Order Confirmation) and the Supplier shall, if necessary, issue a corrected Order Confirmation. For the avoidance of doubt, the Supplier shall not be responsible for any errors, deficiencies or inaccuracies in an Order Confirmation that are not notified to the Supplier in accordance with this Condition 3.4.

3.5 Save in respect of any corrections to be made pursuant to Condition 3.4, an Order Confirmation shall be deemed expressly agreed between the parties following receipt by the Customer.

3.6 Notwithstanding any other provision of these Conditions, in the event that an Order Confirmation provides for only partial fulfilment of an Order, the Customer shall have the option to cancel the Order without liability by written notification within three (3) business days of receipt of such Order Confirmation (or within two (2) hours of receipt of the Order Confirmation in the event that Delivery is scheduled to take place less than five (5) days from the date of the Order Confirmation), provided always that such option shall not be available to the Customer if the items omitted from the Order Confirmation are Non-Standard Products.

3.7 Save as aforesaid, the Customer shall be entitled to amend or cancel an Order (in whole or in part) at any time prior to Delivery provided always that the Customer shall be responsible in full for all costs reasonably incurred by the Supplier in connection with such amended or cancelled Order.

3.8 If an Order is placed by an agent on behalf of a Customer, then by placing the Order such agent accepts and agrees (and to the extent necessary shall be deemed) to be a party to the resulting Supply Contract and shall be jointly and severally liable with the Customer for the payment of all amounts due and the performance of all obligations of the Customer under such Supply Contract.

4. Pricing

4.1 The purchase price payable by the Customer for Products and Gas Cylinder Services shall be calculated based upon the List Price, any Additional Terms and/or eligible Discounts and in accordance with the WSS Price List in force and as published at the time of the Order Confirmation.

4.2 The price for Non-Standard Products and/or Related Services shall be agreed with the Customer in advance and stated in the Order Confirmation.

4.3 The cylinder fees shall, subject to Condition 4.4(i) below, be calculated based upon any Additional Terms and in accordance with the WSS Price List in force and as published at the time of the Order Confirmation (the “**Cylinder Fees**”).

4.4 The Deposit Fee shall, subject to the terms of the Supply Contract, be refunded to the Customer following return of the Gas Cylinder(s), provided always that:

- (i) notwithstanding Condition 4.3, in the event of a Deposit Fee increase during the time in which a Gas Cylinder is in the Customer’s possession, the Customer shall, where it wishes to exchange the Gas Cylinder, be liable to pay the difference between (i) the Deposit Fee paid by the Customer on the original Delivery of the Gas Cylinder and (ii) the Deposit Fee applicable at the time of exchange of the Gas Cylinder;
- (ii) the Supplier’s refund obligations in respect of each Gas Cylinder shall cease and the corresponding Customer account shall be deemed closed and finally settled on the date falling twelve (12) months from the date on which such Gas Cylinder is returned (without exchange) in accordance with the terms of the Supply Contract; and
- (iii) the Customer has fulfilled its Gas Cylinder return obligations in accordance with Condition 8.2

4.5 The List Prices and Cylinder Fees do not include any sales and transactional taxes (including but not limited to VAT, GST or any other similar sales taxes or transactional taxes) and are exclusive of any Order Handling Fees, charges and expenses which the Supplier may be entitled to charge in accordance with the terms of the WSS Price List. Supplier reserves the right to charge indirect taxes, taxes withheld at source and/or transactional taxes in addition to the List Prices and Cylinder Fees, as required by the applicable tax regulations. For the avoidance of doubt, Discounts, Order Handling Fees, charges and any other additional expenses as stated in an Order Confirmation shall be indicative only and the final amounts shall be calculated in accordance with Condition 6 and invoiced to the Customer in accordance with Condition 5.

5. Invoicing and Payment

5.1 The Supplier, or its nominated affiliate, shall be entitled to invoice for Products and any Non-Standard Products following Delivery and for Related Services as per the terms of the Supply Contract.

5.2 The Supplier, or its nominated affiliate, shall be entitled to invoice for the Deposit Fee in respect of Gas Cylinders following Delivery, and shall invoice all further Cylinder Fees as per the Additional Terms or as otherwise agreed in advance with the Customer.

5.3 Subject to Condition 6.3 all taxes, fees, customs duties, surcharges and the like applicable to the supply or use of the Products, Gas Cylinders and any Non-Standard Products or Related Services shall be the sole responsibility of the Customer. Where tax regulations allow for exemptions from sales and transactional taxes, the Customer retains the right to waive such taxes only if, upon request of Supplier or its affiliate, they provide the confirmations and/or documentation required by local regulations to obtain the exemption. In the event (i) Customer fail to promptly provide necessary confirmation and/or documentation: or (ii) the confirmations and/or documentation presented by the Customer to support the exemption from sales and transactional taxes are rejected by local authorities, the Customer(s) are obligated to reimburse WSS for the tax amount in question. Where the Supplier incurs expenses or is subject to any claims (including but not limited to any penalties, interest, and/or other sanctions imposed by local authorities) in relation to such payments made in accordance with this Condition 5.3, the Customer shall refund any amounts paid by the Supplier on an indemnity basis.

5.4 The Customer shall pay all amounts due in full, free of bank charges, as specified in the invoice within thirty (30) days from the invoice date.

5.5 All sums shall be paid by the Customer without any deduction or withholding other than as required by mandatory law. Where any deduction or withholding is required by mandatory law the Customer shall increase the amount payable to the Supplier to gross up the amount that the Supplier would have received if no deduction or withholding had been made. Any financial loss incurred by the Supplier due to insufficient gross-up payments will be recoverable from the Customer. The Customer shall promptly provide the Supplier with official receipts or documentation evidencing the payment of withholding taxes to the relevant tax authority. Such documentation must include sufficient detail to enable the Supplier to claim any applicable tax credits, rebates, or refunds. This includes but is not limited to receipts of payment, bank statements detailing the transfers and reference to the statutory mandatory laws that for the basis for the payment.

5.6 Where applicable pursuant to Condition 5.5, the Supplier shall provide the Customer with relevant tax residency certificates or other documentation to enable the Customer to apply reduced withholding tax rates under applicable double taxation treaties, and the following provisions shall apply:

- (i) The Customer agrees to fully cooperate on good faith with the Supplier to minimize withholding tax liabilities, including assisting in the application and enforcement of benefits under applicable double taxation treaties.
- (ii) Upon the Supplier's request, the Customer shall (i) submit, on the Supplier's behalf, any required forms, applications, or supporting documentation to the relevant tax authority; (ii) provide details of the Customer's tax authority's processes for treaty-based withholding relief or reimbursement; and (iii) offer any additional assistance needed for the Supplier to claim tax exemptions or reductions under applicable tax treaties, including but not limited to assistance in applying such exemptions or reductions once accepted.
- (iii) The Customer shall cover all costs, penalties, or interest resulting from its failure to comply with obligations or to facilitate tax relief applications.

5.7 The Customer shall indemnify and hold harmless the Supplier from and against any penalties, interest, or other liabilities arising from the Customer's failure to withhold or remit taxes as required by law.

5.8 In the event of late payment, the Supplier shall be entitled to interest on all sums outstanding at a rate of 8% per annum above the 6-Month SOFR rate. Such interest shall accrue on a daily basis from the date on which payment was finally due up to and including the date on which payment is received in full to the Supplier.

5.9 Without prejudice to any other rights and remedies of the Supplier, if the Customer is in default of its payment obligations under a Supply Contract or if the Customer becomes subject to any of the events listed at Condition 16.1, the following provisions shall apply:

- (i) The Supplier shall be entitled to suspend Delivery of further Products, Non-Standard Products, Gas Cylinders and/or Related Services under the Supply Contract pending payment in full of all outstanding amounts owed by the Customer.

- (ii) Any other member of the WSS Group shall be entitled to suspend performance under any other active Supply Contract(s) with the Customer pending payment in full of all outstanding amounts owed by the Customer to the Supplier and the Customer agrees that such act of suspension shall not constitute breach or default by the suspending party under the relevant Supply Contract. For the avoidance of doubt, this Condition is intended to confer benefits on any member of the WSS Group as a third party who is a Supplier under Supply Contracts with the Customer other than the Supply Contract under which Customer is in default of its obligations.

- (iii) The Supplier shall, without any court order or other process of law and provided title has not passed, have the right to retake possession of any Products and/or Non-Standard Products that have not been irrevocably incorporated into another product and/or Gas Cylinders, in each case wherever they are located. The Customer shall make the applicable Products, Non-Standard Products and Gas Cylinders available to the Supplier for collection and the Supplier shall be entitled to enter the premises of the Customer or any third party where the items are stored. The Customer shall be liable and shall indemnify the Supplier in full for all costs and expenses (including legal costs) incurred by the Supplier in retaking possession.

- (iv) The Supplier shall be entitled to set off any Deposit Fees, credit and bonus amounts held for the account of the Customer under any Supply Contract against any amount owed by the Customer under invoices issued by the WSS Group.

- (v) Supplier shall be entitled to amend the payment term specified in Condition 5.4 or in the Additional Terms to payment before Delivery (advance payment).

6. Delivery and Additional Charges

6.1 Unless otherwise stated in the Order Confirmation, Delivery shall be made Free Alongside Ship (FAS) in accordance with the ICC Incoterms 2020.

6.2 If the parties have initially agreed for the Delivery to be made FAS and the Supplier is subsequently instructed for whatever reason to Deliver at a place other than alongside the vessel or to the agreed delivery port, such alternative Delivery shall, at the Supplier's discretion, be made by another delivery method, with any additional costs incurred by the Supplier to be borne by the Customer.

6.3 Where the relevant Incoterms require the Supplier to obtain clearances for export, such responsibility will only relate to the point of Delivery and not to further export by the Customer.

6.4 Notwithstanding anything else to the contrary in the applicable Incoterms:

- (i) title to Gas Cylinders shall only transfer in accordance with Condition 12 (which shall in all cases take precedent over any conflicting provisions of the applicable Incoterms);
- (ii) the Customer shall, where applicable, pay the Supplier an Order Handling Fee, as specified in the WSS Price List; and
- (iii) the Customer shall pay the Supplier for the costs and expenses of the Supplier in connection with (i) barge, boat or crane hire, (ii) inventory transfer fees which may be necessitated by for example shipment of any items not commonly requested at the

place of Delivery or accelerated transfer of unavailable Products and (iii) any additional charges incurred by Supplier in connection with fulfilling mutually agreed Related Services, all as stated on the Order Confirmation.

6.5 If the Customer fails or refuses to take possession when made available by the Supplier for Delivery in accordance with the terms of the Supply Contract, the Supplier shall be entitled to recover all reasonable costs and expenses incurred as a result of such failure or refusal, including without limitation storage and insurance costs, until such time that the Customer accepts Delivery.

6.6 Supplementary fees may be chargeable where Customer makes additional requests to Supplier. Such fees shall be notified by Supplier in the Order Confirmation.

6.7 If there is any conflict between the relevant Incoterms and any term of a Supply Contract, the terms of the Supply Contract shall prevail.

7. Delays in Delivery

7.1 Subject to Condition 5.9, the Supplier shall use reasonable endeavours to ensure that Products, Non-Standard Products and Gas Cylinders are delivered at the time and date stated in the Order Confirmation or otherwise agreed between the parties. For the avoidance of doubt, if the Customer is in default of any payment obligations under the Supply Contract, the Supplier shall not be obliged to make Delivery until such default is remedied.

7.2 Without prejudice to Condition 6.7, if Delivery of any items under the Supply Contract is delayed beyond the date stated in the Order Confirmation (or as otherwise agreed between the parties), the Supplier shall be afforded a reasonable opportunity to complete Delivery but if the Supplier is unable to effect Delivery within a reasonable period then, provided such delay is not due to the Customer or circumstances within the Customer's control, the Customer shall have the option to cancel such delayed items by giving written notice to the Supplier.

7.3 The Supplier and Customer agree that the remedies available to the Customer pursuant to this Condition 7 shall be the Customer's sole remedy and, subject to Condition 14.1, the Customer shall have no further rights or claims and the Supplier shall not be obligated or liable to the Customer in respect of any damages or losses suffered by the Customer whatsoever which arise out of, under or in connection with the Supply Contract or otherwise in respect of any delay in Delivery.

8. Refill, Exchange, Return and Tracking of Gas Cylinders

8.1 Gas Cylinders delivered to and from the Customer under any Supply Contract will be registered and updated by the WSS Group electronic tracking system. The Supplier will periodically provide a report on Gas Cylinders registered to be in the Customer's possession or upon Customer's request. It is however, the Customer's responsibility to ensure that it accurately tracks its inventory of Gas Cylinders and related gas levels in order to comply with its obligations under the Supply Contract (including without limitation Condition 8.2 below).

8.2 The Customer shall be solely responsible to ensure that Gas Cylinders are exchanged or returned to the WSS Group within thirty (30) months from initial delivery. In the event that the Customer does not return a Gas Cylinder within thirty (30) months from initial delivery of the Gas Cylinder to the Customer, late charges may apply.

8.3 It is a condition of the Gas Cylinder Services that Gas Cylinders supplied to the Customer shall only be serviced and refilled by (i) the Supplier or (ii) a member of the WSS Group or a designated third party appointed by, acting on behalf of and with the express approval of the Supplier. For the avoidance of doubt, if a third party supplies gases to the Customer and/or fills a Gas Cylinder (other than on behalf of WSS Group), WSS Group shall have no liability or responsibility for such supply of those gases or filling or subsequent performance of the Gas Cylinder(s).

8.4 If a Supply Contract is entered into for supply of gas for use in Gas Cylinders, and the Customer has a previously supplied Gas Cylinder that it wishes to exchange, the Supplier shall, subject to the Customer having paid all outstanding fees to the WSS Group in relation to the empty Gas Cylinder, supply to the Customer a filled Gas Cylinder in exchange against receipt of the empty Gas Cylinder, which shall be of the same type and specification as the returned Gas Cylinder. In such cases, the Deposit Fee paid by the Customer in respect of the returned Gas Cylinder shall not be refunded but shall be transferred to the new Gas Cylinder. Any supplementary Deposit Fee due (as described in Condition 4.4(i)) shall, if applicable, be calculated and due at the time of the exchange.

8.5 Gas Cylinders may be returned by the Customer to a WSS Group depot where the depot location and return time are mutually agreed in advance of the return. Alternatively the Customer can contact the Supplier to arrange for collection at a mutually agreed time and location. Any Customer delivery of Gas Cylinders to locations that have not been agreed with WSS shall not be considered to be returned to WSS.

8.6 Gas Cylinders must be empty when returned to the WSS Group. In the event of residual gases or refrigerants in the returned Gas Cylinder that requires disposal, WSS reserves the right to charge the Customer for the disposal cost. In addition to Customer's obligations in Condition 8.5, Gas Cylinders with residual gases or refrigerants that are banned in the country of a WSS Group depot may in certain cases be returned to said depot, following Customer's correct completion of any documents and/or procedures provided by Supplier and a subsequent written approval from Supplier. For the avoidance of doubt, where Customer offloads a Gas Cylinder without completion of such documents and written approval from Supplier, the said Gas Cylinder shall not be considered to be returned to WSS in accordance with Condition 8.5. Customer shall be liable to and shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses arising from a breach of this Condition 8.6.

8.7 Where the Customer only requires Gas Cylinders to be collected and not refilled, the Supplier shall be entitled to charge, and the Customer shall pay, all the relevant collection costs at the time of collection.

8.8 For the avoidance of doubt, the Customer will not be entitled to the refund of any Deposit Fee in the event that the Customer returns a gas cylinder which is not a Gas Cylinder, or a Gas Cylinder that has been offloaded at a location and/or time that was not mutually agreed, or a Gas Cylinder which is not registered to have been last delivered to the Customer by the Supplier (or another member of the WSS Group) and therefore not considered to be in their possession, irrespective of whether the Deposit Fee was paid by another customer for such Gas Cylinder(s) or otherwise.

8.9 WSS reserves the right to only partially refund the Deposit Fee in the event that the Customer returns a Gas Cylinder that is untagged, in other words, missing the labelling.

9. Scope of Warranty

9.1 Subject to the other terms of the Supply Contract, the Supplier warrants that the Products and Gas Cylinders supplied to the Customer shall, at the time of Delivery, be:

- (i) in material conformity with the Product Specifications; and
- (ii) free from material defects in design, materials and workmanship.

9.2 Without prejudice to Condition 9.1, the Supplier shall be at liberty, in its sole discretion, to supply alternative Products to the Customer to those stated in an Order Confirmation, provided that such Products have an equivalent or better functionality and that the Supplier shall only be entitled to any increase in the applicable List Price where this is expressly agreed with the Customer in advance.

9.3 Notwithstanding any other term of the Supply Contract, the Supplier shall be entitled at any time and without prior notice to amend the WSS Price List and/or Product Specifications and/or to remove Products from the Product Catalogue and/or remove ports from its global network in each case without incurring any liability to the Customer.

9.4 The Supplier makes no representations, warranties or guarantees whatsoever with regard to any Non-Standard Products, including without limitation in respect of the quality, safety, reliability, durability and performance of such Non-Standard Products, which shall be non-cancellable, non-exchangeable and non-returnable. For the avoidance of doubt, it is expressly acknowledged that any Non-Standard Products shall be sourced by the Supplier on behalf of the Customer at the Customer's sole risk.

9.5 Save as aforesaid, and notwithstanding any Product recommendations the Supplier may make to the Customer, the Supplier makes no representations, warranties or guarantees regarding the Products and/or Gas Cylinders, and all warranties, conditions and other terms implied by statute or common law in respect of any items provided to the Customer under the Supply Contract, including but not limited to sections 13-15 of the Sale of Goods Act 1979, are to the fullest extent permitted by law excluded from the Supply Contract.

10. Breach of Warranty

10.1 The Customer shall be entitled to reject any Products or Gas Cylinders that do not comply with the warranty at Condition 9.1, provided that notice of rejection is given to the Supplier (i) in the case of a defect that is apparent on visual inspection, within five (5) business days of Delivery and (ii) in the case of a latent defect within a reasonable time of such defect being discovered or when it ought to have been discovered, and in any event within twelve (12) months from the date of Delivery (the "Warranty Period"). For the avoidance of doubt, the Customer shall in no case be entitled to reject Delivery of any Non-Standard Products.

10.2 The Customer shall be deemed to accept any Products or Gas Cylinders, and the Supplier shall not be liable for any failure to comply with the warranty at Condition 9.1, if:

- (i) the Customer fails to give valid written notice within the periods specified at Condition 10.1;
- (ii) the Customer makes any further use of such Products or Gas Cylinders after giving notice in accordance with Condition 10.1;
- (iii) the defect arises because the Customer failed to follow the Supplier's oral or written warnings, instructions or safety rules for

the storage, commissioning, installation, use and/or maintenance of the items or (if there are none) good trade practice regarding the same;

- (iv) the Customer alters or repairs such Products or Gas Cylinders without the written consent of the Supplier; or
- (v) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal storage or working conditions.

10.3 If the Customer validly rejects any Products or Gas Cylinders in accordance with this Condition 10 within the Warranty Period, the Supplier shall, at its sole discretion elect to: (i) rectify the breach of warranty by repairing such affected items or supplying replacement components; (ii) deliver substitute Products or Gas Cylinders; or (iii) reduce the payable prices and/or Cylinder Fees proportionally.

10.4 Save as expressly provided at Condition 10.3, the Customer shall, to the maximum extent permitted by law, have no further rights or claims in respect of a breach of the warranty at Condition 9.1.

10.5 Any dispute as to whether the Customer is entitled to reject Products and/or Gas Cylinders for a failure by the Supplier to comply with the requirements of the warranty at Condition 9.1 shall be resolved in accordance with Condition 21.

11. Transfer of Title / Transfer of Risk (Products and Non-Standard Products)

11.1 Products (including gases and refrigerants) and Non-Standard Products to be supplied under the Supply Contract shall be at the sole risk of the Customer from the time of Delivery.

11.2 Ownership and title to Products and Non-Standard Products to be supplied under the Supply Contract shall not pass to the Customer until the earlier of:

- (i) the time at which the Supplier has received payment in full of all sums due to it in respect of such Products and Non-Standard Products under the Supply Contract (including any taxes, interest, delivery and additional charges) as invoiced to the Customer; or
- (ii) in the event the Customer resells such Products or Non-Standard Products, the time at which title passes in accordance with Condition 11.3.

11.3 Subject to Conditions 11.4 and 17, the Customer may resell or use Products and Non-Standard Products in the ordinary course of its business (but not otherwise) before the Supplier receives payment. If the Customer resells before that time:

- (i) it does so as principal and not as the Supplier's agent; and
- (ii) title to those Products shall pass from the Supplier to the Customer immediately before the time at which resale by the Customer occurs.

11.4 If before title to Products and Non-Standard Products passes to the Customer the Customer becomes subject to any of the events listed at Condition 16.1, then, without limiting any other right or remedy the Supplier may have, the Customer's right to resell Products and Non-Standard Products and use them in the ordinary course of its business ceases immediately.

12. Transfer of Title / Transfer of Risk (Gas Cylinders)

12.1 Gas Cylinders shall be at the sole risk of the Customer from the time of Delivery until such time as they are returned to the Supplier in accordance with Condition 8. For the avoidance of doubt, at all times following Delivery, the Customer shall be fully responsible for, and liable to the Supplier for loss and damage to, Gas Cylinders in each case regardless of the cause.

12.2 Subject to the following terms of this Condition 12, the Supplier shall retain ownership and title to the Gas Cylinders while in the Customer's possession (including when such Gas Cylinders may be in the possession of a third party appointed by the Customer, or an agent acting on behalf of the Customer) and the Customer shall not claim or dispute ownership of the Gas Cylinder or seek to or actually exercise or create any lien or encumbrance over or in relation to the Gas Cylinders or otherwise do anything which is inconsistent with the Supplier's rights of ownership.

12.3 Title to and ownership of Gas Cylinders shall immediately pass to the Customer if the Customer:

- (i) destroys, defaces or otherwise damages the Gas Cylinder (and Gas Cylinders shall be considered "damaged" if they cannot be reused in the Supplier's gas exchange system due to any reasons other than normal wear and tear);
- (ii) loses the Gas Cylinder (and for the purposes of this Condition "loss" means, without limitation, loss of possession of Gas Cylinders (other than to a member of the WSS Group or an approved third party) regardless of cause, and sale or scrapping of a ship with Gas Cylinders onboard shall constitute loss of all Gas Cylinders onboard such ship);
- (iii) delivers the Gas Cylinder to a third party not approved by the Supplier;
- (iv) has the Gas Cylinder serviced or refilled by a third party which is not a member of the WSS Group, unless the Supplier has consented in writing to the Gas Cylinder being serviced or refilled by that third party; or
- (v) does not return the Gas Cylinder to the Supplier upon expiry or termination of this Supply Contract in accordance with Condition 16.4 (ii).

12.4 If title to a Gas Cylinder transfers to the Customer in accordance with Condition 12.3:

- (i) any obligation, contractual duty or liability on the Supplier with regard to the Gas Cylinder shall terminate immediately;
- (ii) the Customer shall (unless the cylinder has been lost or destroyed) remove or obscure or procure the removal or obscuring of the 'Unitor' and/or 'Wilhelmsen' trade names from the Gas Cylinder in a safe manner;
- (iii) any Deposit Fee paid by the Customer for the relevant Gas Cylinder shall be forfeited and the Supplier shall be entitled to retain same;
- (iv) if no Deposit Fee has yet been received by the Supplier or a further Deposit Fee would be due on return (as described in Condition 4.4) or a Deposit Fee was not applicable to the relevant Gas Cylinder exchange model at the time of Delivery, the Supplier will charge the Customer, and the Customer shall pay, a fee equal to the Deposit Fee (or shortfall in the Deposit Fee) that would have been due according to WSS Price List in effect at the date that the Supplier becomes aware of the transfer of title.

12.5 The Customer shall, referencing the Gas Cylinder type and serial number, immediately inform the Supplier in writing if title has transferred pursuant to Condition 12.4 and notify the actions taken as a consequence. Failure by the Customer to comply with the requirement to notify the Supplier shall not, for the avoidance of doubt, affect the automatic transfer of title pursuant to Condition 12.4 but the Customer shall be liable to and shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses arising from a breach of this Condition 12.5.

13. Disclaimer and Indemnification

13.1 The Customer shall comply with all warnings, instructions and safety rules provided to it by the Supplier and any member of the WSS Group from time to time and shall familiarise itself with and apply best industry practice at all times in relation to the storage, handling and use of all Products and Gas Cylinders.

13.2 Notwithstanding any pre or post sale surveys or testing, or provision of any warnings, instructions and safety rules by the Supplier or any member of the WSS Group, the Customer acknowledges that the Products sold and the Gas Cylinders supplied are, or may be, hazardous to human health, and, subject only to Condition 9 and Condition 14.1, the Customer assumes all risk for the Products and Gas Cylinders after Delivery.

13.3 The Customer shall familiarise itself and keep itself informed with respect to possible hazards to persons or property involved in the handling and use of the Products and Gas Cylinders, and shall advise its employees, independent contractors and any others who may handle the Products and Gas Cylinders of the suspected or proven hazards of the Products and Gas Cylinders and the proper handling of the Products and Gas Cylinders, and shall require such persons to comply with any reasonable instructions from the Supplier or any member of the WSS Group relating to the safe handling, use and storage of the Products and/or Gas Cylinders, and all applicable laws and regulations.

13.4 Notwithstanding any pre or post sale surveys or testing, and/or any Related Services provided by Supplier or any member of the WSS Group, the Customer acknowledges that it remains fully responsible for the operations, functionality and safety of its vessels and all equipment thereon. The Customer agrees that the Supplier shall not be obligated or liable to the Customer in respect of any damages or losses suffered by the Customer whatsoever which arise out of, under or in connection with its use of information and/or reports provided by the Supplier or any member of the WSS Group.
