

HPCE DYNAMIS 500+/SPRAY GUN WITH INLET COUPLING

Product group: **436** Product number: **715021**

The HPCE DYNAMIS 500+ Spray Gun is designed for high-performance cleaning with pressure pumps rated up to 500 bar. It is constructed with durable stainless steel and brass components, ensuring longevity and reliable performance under extreme pressure. Equipped with advanced Teflon dynamic seals, this gun minimizes leakage and pressure loss. Its ergonomic design reduces fatigue, allowing for comfortable operation even during extended use, while ensuring a smooth and easy trigger action for precision control.

Product information

Features

- **Shockproof Design:** Covered by shockproof plastic semi-housings for enhanced durability and operator safety.
- **High-Quality Construction:** Made from stainless steel and brass, with dynamic Teflon seals for maximum resilience and performance.
- **Easy Hose Assembly:** Compatible with hoses equipped with G 1/2" fittings, allowing straightforward attachment.
- **Ergonomic & Low-Fatigue Design:** Ergonomically designed to minimize hand fatigue with smooth trigger operation for user comfort.
