

# HPCE DYNAMIS/HPC 54/HPC 67/EL. CABLE 4x6 W/CONN. 63A 40M

Product group: **436** Product number: **720001**

Designed for effortless integration with the DYNAMIS range of high-pressure cleaners and our HPC54 and HPC67 machines, this 40-meter extension cable ensures seamless compatibility. Equipped with durable male-female connectors, it extends the standard 10-meter cable included with your machine, providing enhanced reach and operational flexibility.

## Product information

### Features

- **Optimized Length:** With a maximum recommended total cable length of 50m for all DYNAMIS models, as well as HPC54 and HPC67 machines, this extension ensures optimal performance and safety.
- **Universal Compatibility:** Suitable for both DYNAMIS machines and HPC54 and HPC67 models, designed for a straightforward connection without the need to replace the existing 10m cable.
- **Robust Construction:** Made with 4x6mm<sup>2</sup> cable, rated at 63A, ensuring reliability under heavy-duty operational demands.
- **Plug-and-Play Design:** Pre-fitted connectors allow quick and secure attachment, minimizing setup time for the crew.
