VCWD27 WET AND DRY VACUUM CLEANER

Product group: **432** Product number: **681924**

The Unitor VCWD27 is a versatile and reliable vacuum cleaner designed for a variety of onboard cleaning tasks. Whether tackling wet spills, clearing blocked pipes, or connecting to power tools for efficient dust extraction, this unit delivers exceptional performance for demanding marine environments.

Product information

Features

- Rubber enclosed power cord which stays flexible even in very low temperatures and is resistant to wear and tear
- Large application area as the unit is resistant to most chemicals and oils and can be used for a variety of cleaning tasks including removal of liquids and solids in the workshop, engine room, deck areas and accommodation areas
- Large on/off switch can be started or stopped without removing gloves
- Large wheels provide stability even on rough surfaces
- Long range hose, 3m
- Power cord hook ensures the cord stays secured to the unit while in transit or in storage

Benefits

- . Low noise level means the unit can be used for longer periods and in environments where noise must be held at a minimum
- Ergonomic design means the unit can be used for longer periods of time due to lower user fatigue

Specification
