CABINET F/OUTLET STATION FIBRE GLASS

Product group: **611** Product number: **5368051**

For open deck mounting, a fibreglass cabinet is recommended. This strong cabinet is designed to give a high degree of protection. It is corrosion-proof, with stainless steel hinges and lock.

Product information

The cabinet encloses the outlet station parts and provides protection of critical gas equipment from dirt and mechanical damage. Fibreglass variant is suitable for use on open deck and is corrosion-resistant.

Features

- corrosion proof
- Stainless steel hinges
- Can be locked

Benefits

- no maintenance
